1/ Hispanic refers to people whose origin are Mexican, Puerto Rican, Cuban, Central or South American, or other Hispanic/Latino, regardless of race.

2/ Civilian Labor Force data for 2004 in this table differ slightly from data for 2004 published by the U.S. Bureau of Labor Statistics (BLS) due to the use by BLS of a composite estimation procedure that reduces sampling error, especially in estimates of month-to-month change.

In addition, the data in this table differ from annual-average data and from seasonally adjusted data published by BLS.

3/ Percent based on persons in the civilian labor force.
